

Maximum Aesthetics, Minimal Intervention

Your masterclass in free-hand composite veneers

1-DAY LECTURE AND HANDS-ON

Friday 25 November 2022, 9:00am - 5:00pm

The Dental Solution Australia, Melbourne

6.5 CPD

Dr Terry Wong will draw from his clinical experience for over 30 years and give an insight on how to produce long lasting aesthetic composite resin veneers.

The day will commence with a morning lecture on the technical aspects of shade selection, placement techniques and polishing composite resin.

This will be followed by a hands-on component where you have the opportunity to practice the clinical skills covered by the lecture.

By the end of the program, you will be more proficient in the handling of composite resin veneers to achieve great aesthetics.

Dr Terry Wong
B.Sc (Hons) (Melb.), B.DSc (Melb.)

Making People Smile

Dr Terry Wong
B.Sc (Hons) (Melb.), BSc (Melb.)

Dr. Terry Wong lectures internationally on the topic of composite resin restorations.

Presently, Dr. Wong lectures at Melbourne University on the topic of Aesthetic Dentistry and conducts hands-on programmes about free-handed delivery of composite restorations.

He attended the Las Vegas Institute and studied occlusion at the Kois centre in Seattle.

He has personally been instructed by Dr. Newton Fahl of the Fahl School of Art and Science in Aesthetic Dentistry in Brazil. Dr. Wong obtained his degree at Melbourne University in 1987 and maintains a general practice in Melbourne with emphasis on restorative dentistry.
