

A crown in one appointment No CAD/CAM needed

OVC³
One Visit Crown

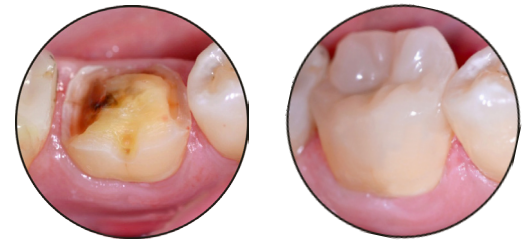

HANDS-ON COURSE FOR THE ONE VISIT CROWN

Earn 2 CPD points

Join us for this hands-on workshop and learn how you can achieve beautiful crowns with perfect margins in one appointment – without the need for a CAD/CAM system.

- We'll show you how you can convert large complex restorations into predictable high-quality clinical outcomes and increase your case acceptance rates.
- Discover how many dentists are accessing a new segment of the market by offering crowns to patients who turn down critical treatment due to financial reasons.
- We'll show you why the One Visit Crown has a place in a growing number of practices across Australia, including yours.

Join us – discover the innovative One Visit Crown technique - register today!

Presented by Dr Terry Wong

Dr. Terry Wong lectures internationally on the topic of restorative dentistry. Presently, Dr. Wong lectures at Melbourne University on the topic of Aesthetic Dentistry and conducts hands-on programs about free handed delivery of restorations. He attended the Las Vegas Institute and studied occlusion at the Kois centre in Seattle. He has been personally instructed by Dr. Newton Fahl of the Fahl School of Art and Science in Aesthetic Dentistry in Brazil. Dr. Wong obtained his degree at Melbourne University in 1987 and maintains a general practice in Melbourne with emphasis on restorative dentistry.

He is a Key Opinion leader for DentsplySirona, 3MESPE, Coltene, SDI and Ivoclar Vivadent. Presently he maintains a private practice primarily devoted to restorative dentistry in the suburb of Blackburn in Melbourne.
