

Maximum Aesthetics, Minimal Intervention

Your masterclass in free-hand composite veneers

ONE-DAY LECTURE AND HANDS-ON

Friday 27 September 2024

Adelaide

6.5 CPD

The purpose of this course is to understand the "why's" and "how's" of delivering optimally aesthetic, direct composite veneers using the free-hand technique.

A large focus of the lecture will be actual case studies, that will guide you step-by-step. By the end of the programme, you will be more proficient in the handling of composite resin veneers, to achieve great aesthetics.

Dr Terry Wong

B.Sc (Hons) (Melb.), BDS (Melb.)

Making People Smile

Before

After

Dr Terry Wong B.Sc (Hons) (Melb.), BDS (Melb.)

Dr Terry Wong lectures internationally on the topic of composite resin restorations.

Presently, Dr Wong lectures at Melbourne University on the topic of Aesthetic Dentistry and conducts hands-on programmes about free-handed delivery of composite restorations.

He attended the Las Vegas Institute and studied occlusion at the Kois centre in Seattle.

He has personally been instructed by Dr Newton Fahl of the Fahl School of Art and Science in Aesthetic Dentistry in Brazil. Dr Wong obtained his degree at Melbourne University in 1987 and maintains a general practice in Melbourne with emphasis on restorative dentistry.

Conditions of Registration

Late cancellation fee applies. Fees will be fully refundable if registrant cancels 30 days or more prior to the lecture.

50% refund will be given for cancellations between 14 and 30 days prior to the lecture. No refunds will be given if cancellation is received with less than 14 days notice.

Please note that your place is NOT confirmed until full payment is received and confirmation is sent. Please do not book flights or accommodation until confirmation is received.
